

TWO PHOTO ALBUMS TO US NAVAL AIRGUNNER

One small 17 x 14cm album containing 84 photos relating to J E Palmer M.M1c USN Aviation Service. Lots of shots of Palmer and other Enlisted air gunners and ground crew, barracks, hangers, ladies, at work, family etc. Some nice shots of flying boats. Some photos a bit faded and pages coming apart, although these could be fixed.

Second larger 27 x 17cm album contains just 32 photos, mainly aircraft and personnel and photos similar in quality to other album.

Some interesting pics.
